## **Appendix B – Individual Counseling Session Maps**

---

We have included maps from individual counseling sessions, as for group sessions, to demonstrate their different uses and forms. Again, maps from this section could be copied and given to clients to annotate (i.e., write comments on) as a means of helping clients find new perspectives and think in alternative ways.

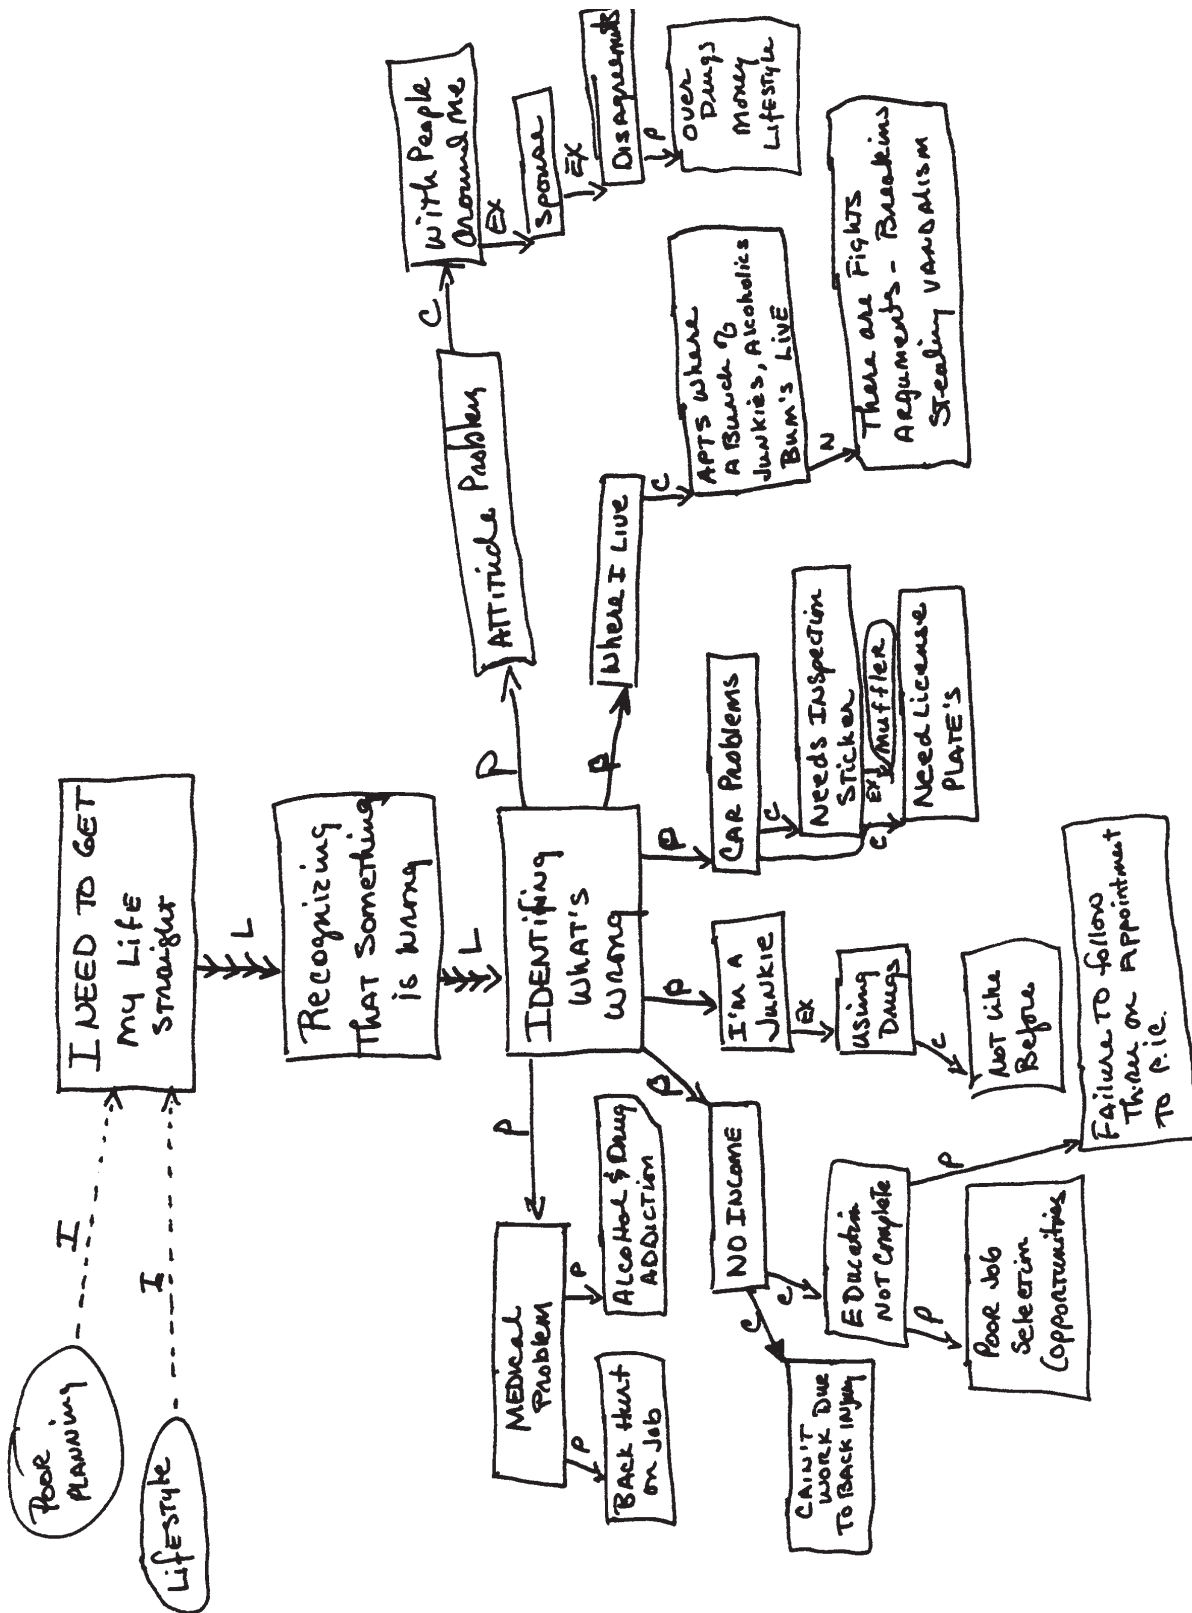

### **Appendix B Contents**

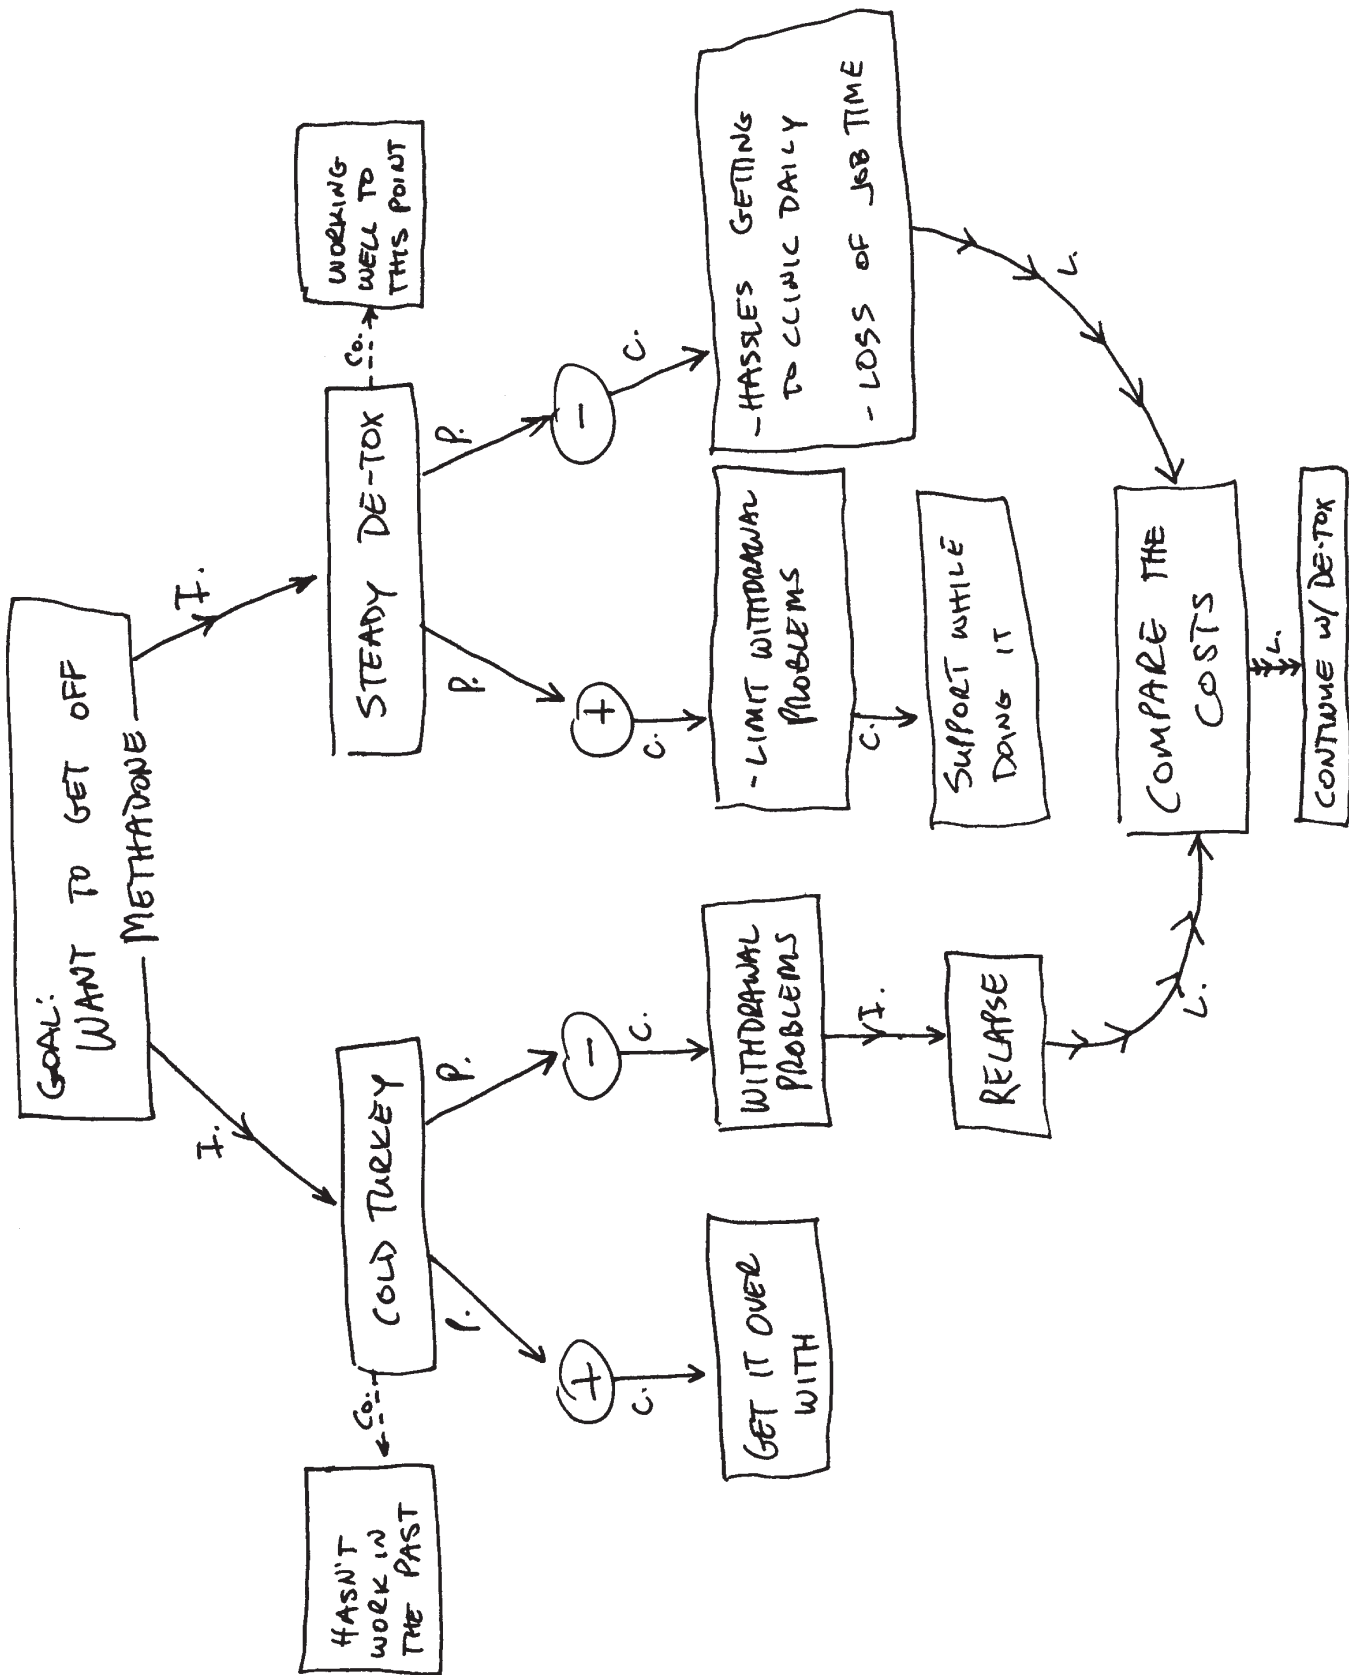

**Drug Issues ..... Page 100**

**Treatment Issues ..... Page 102**

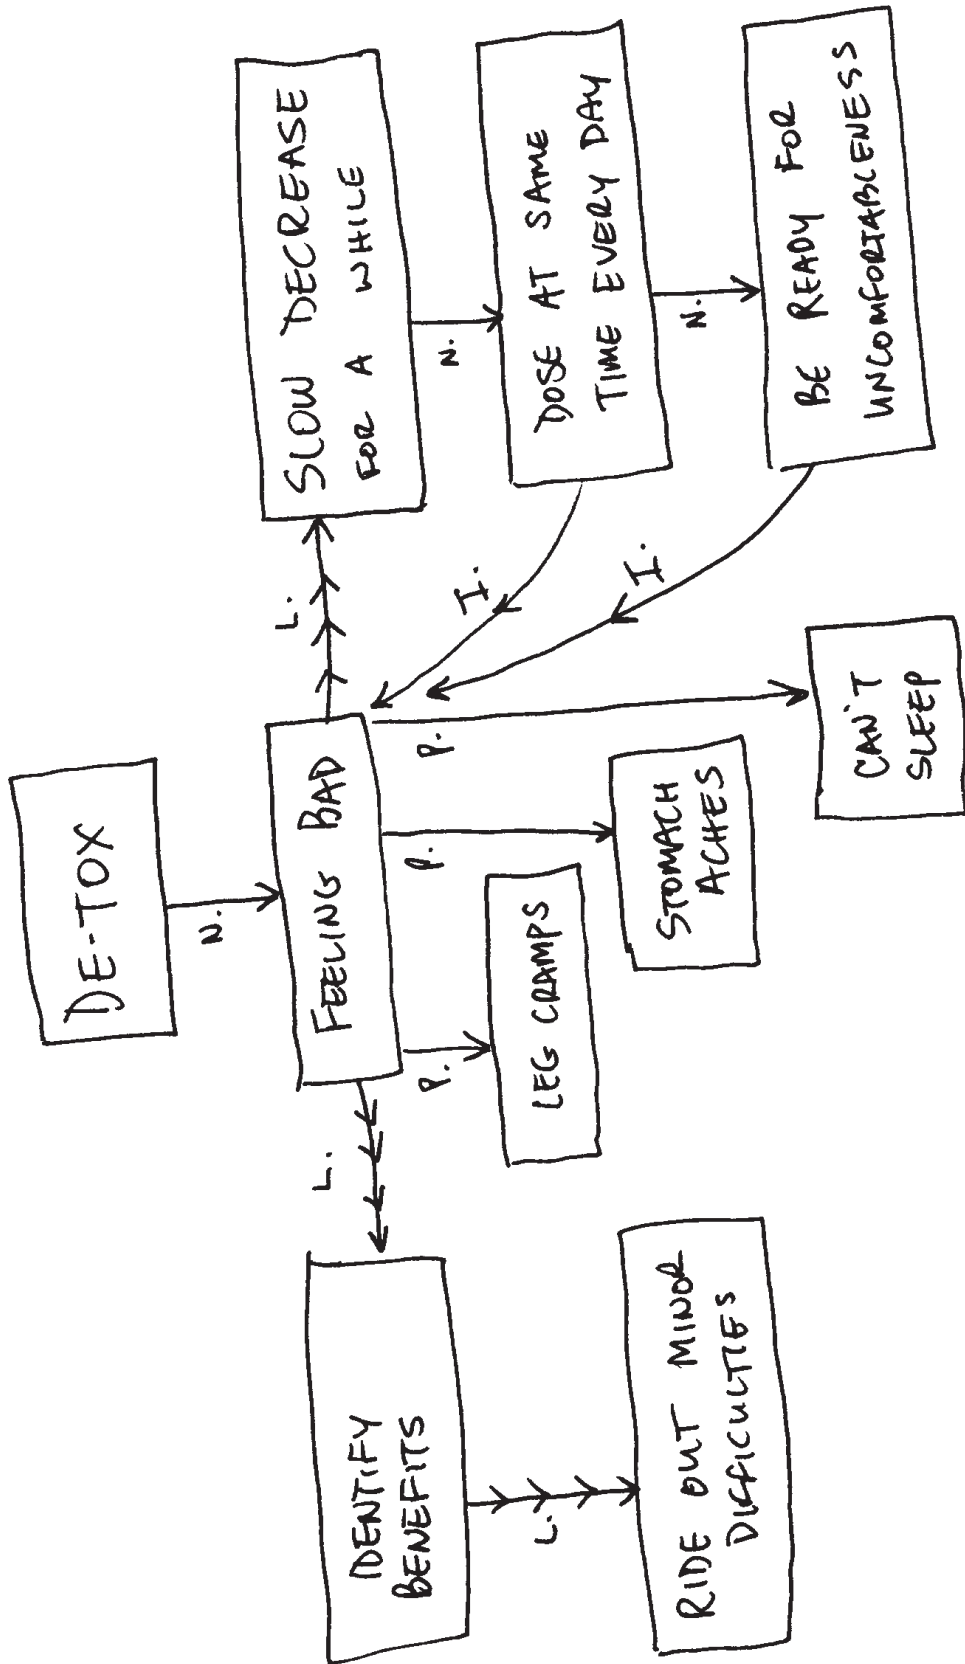

**General Issues ..... Page 108**

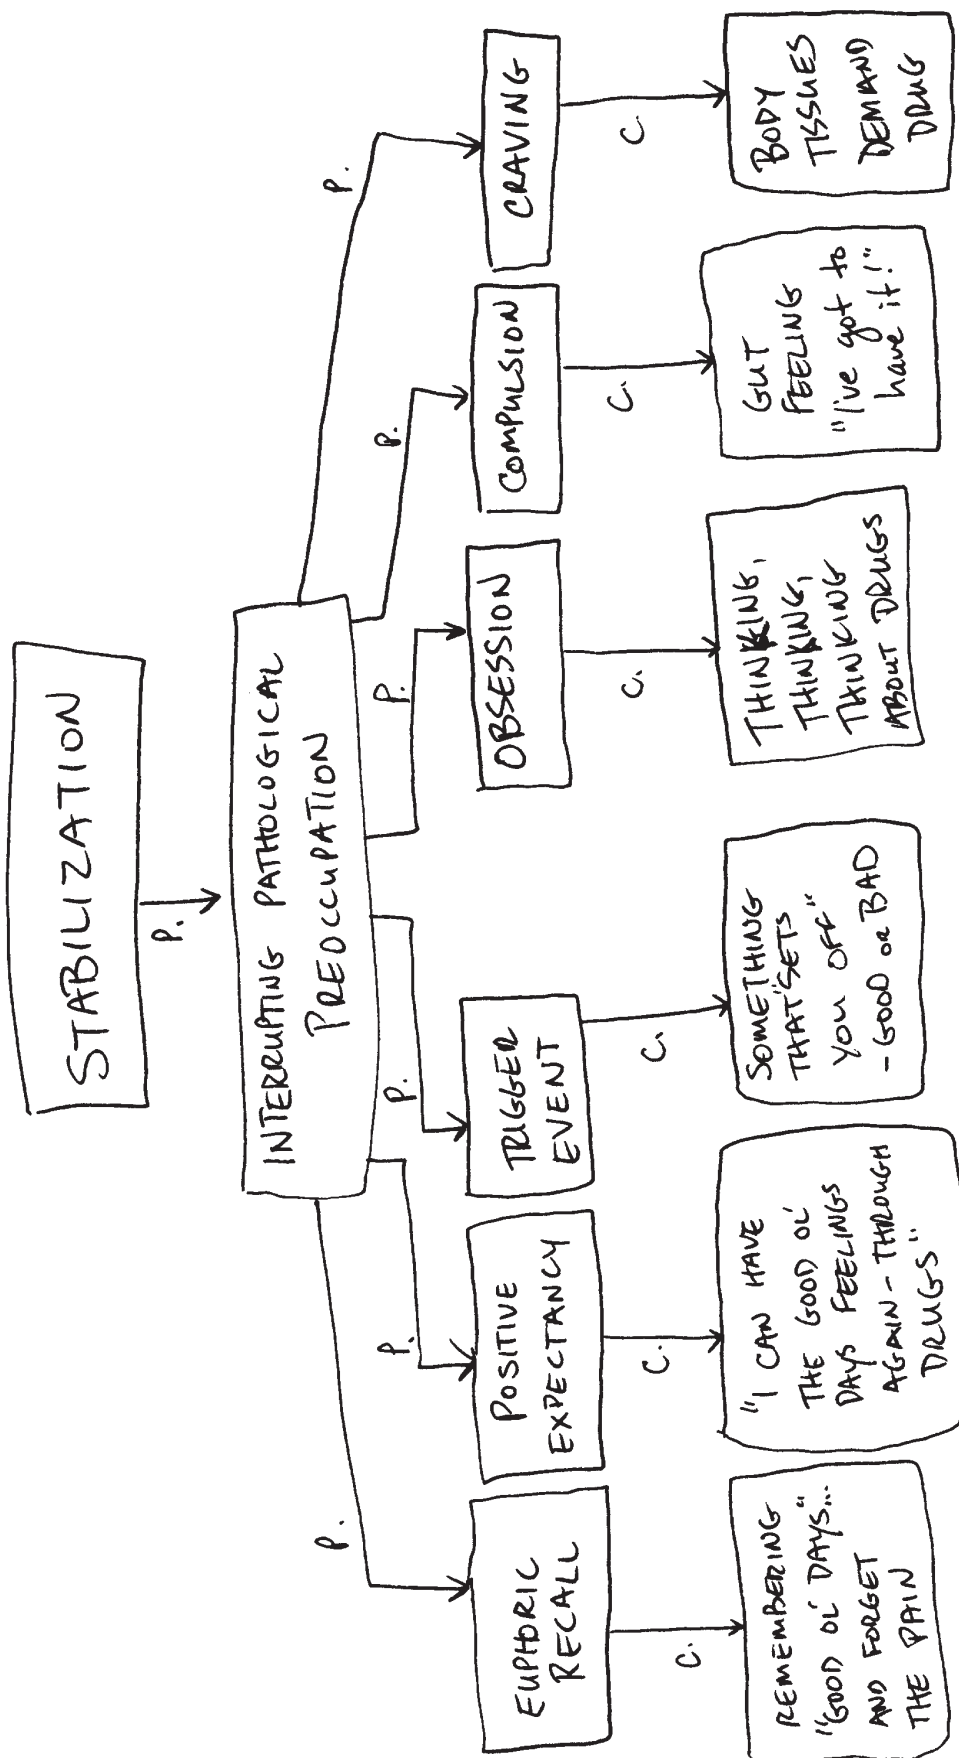

Drug issues

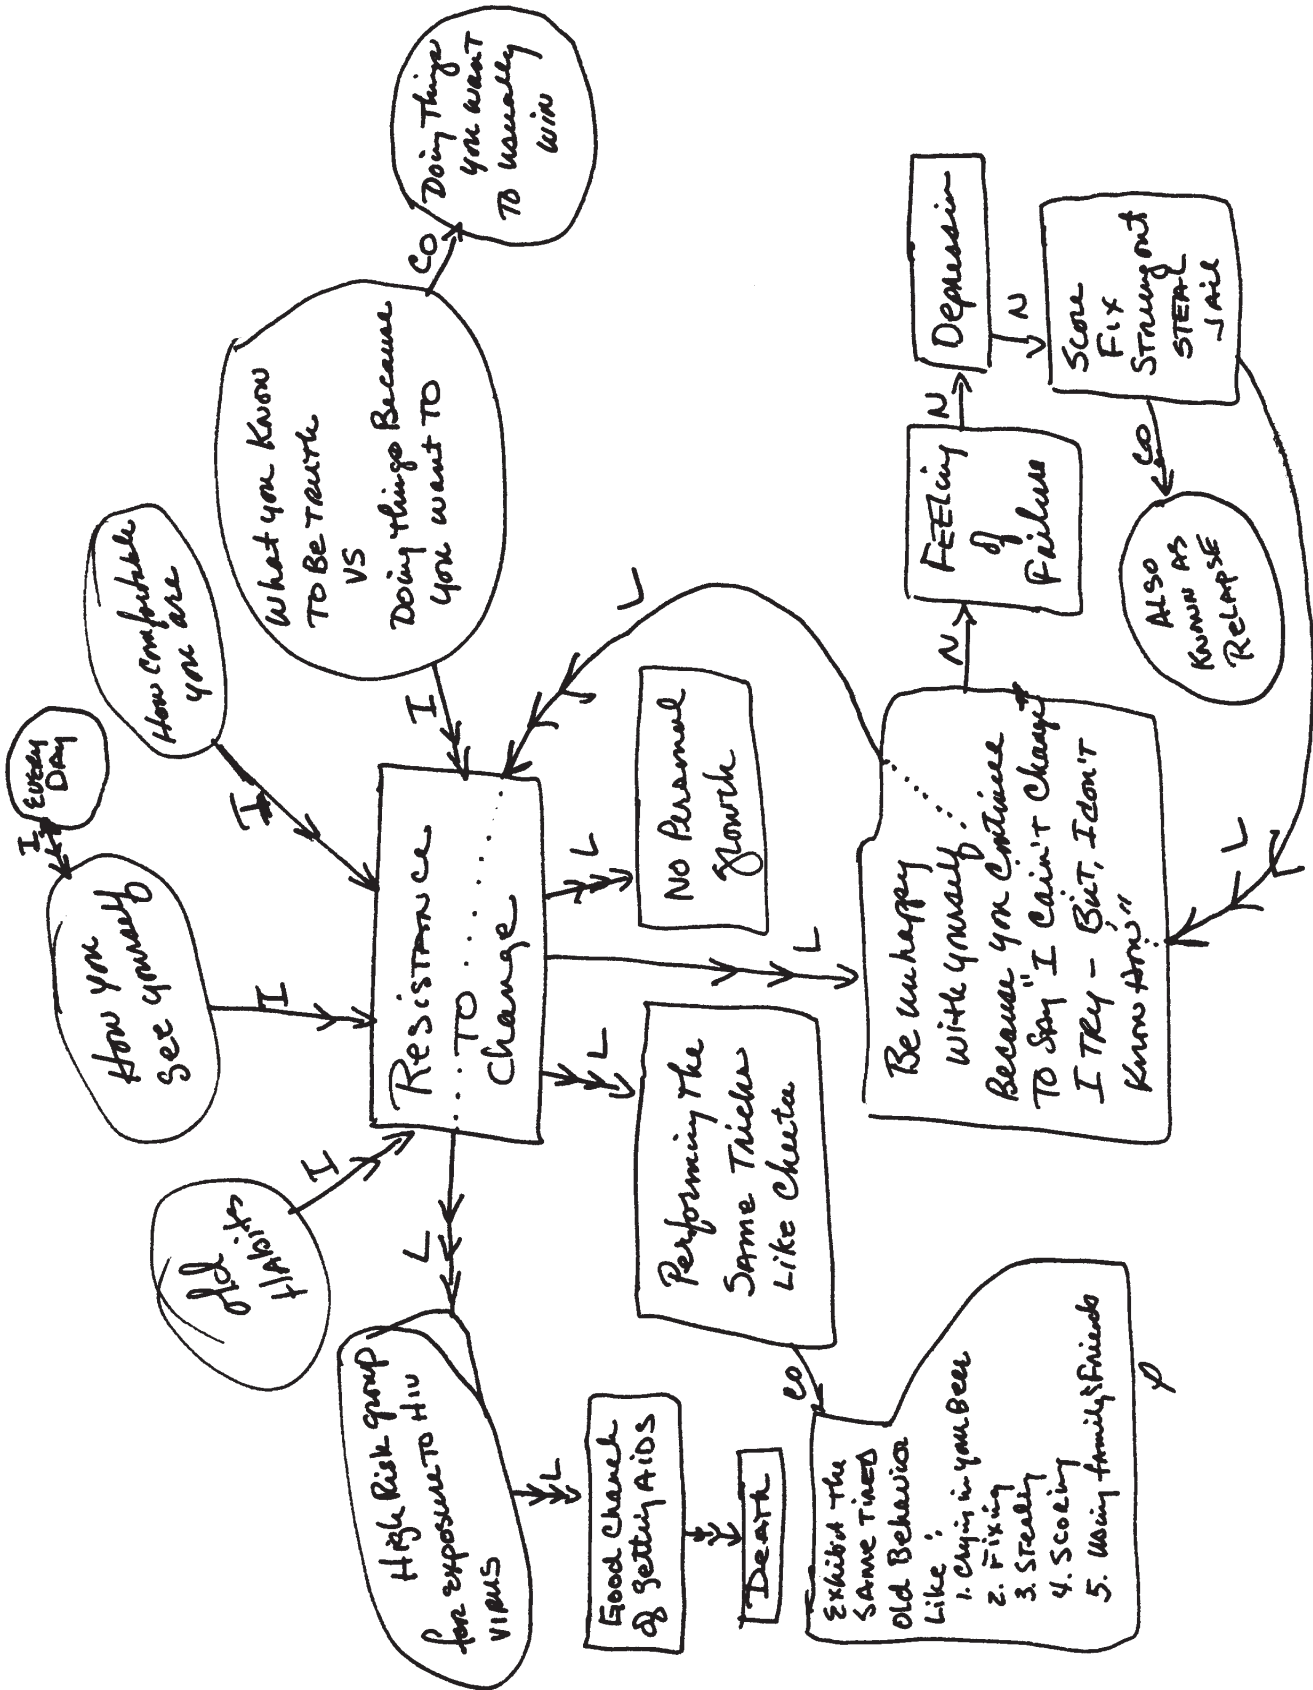

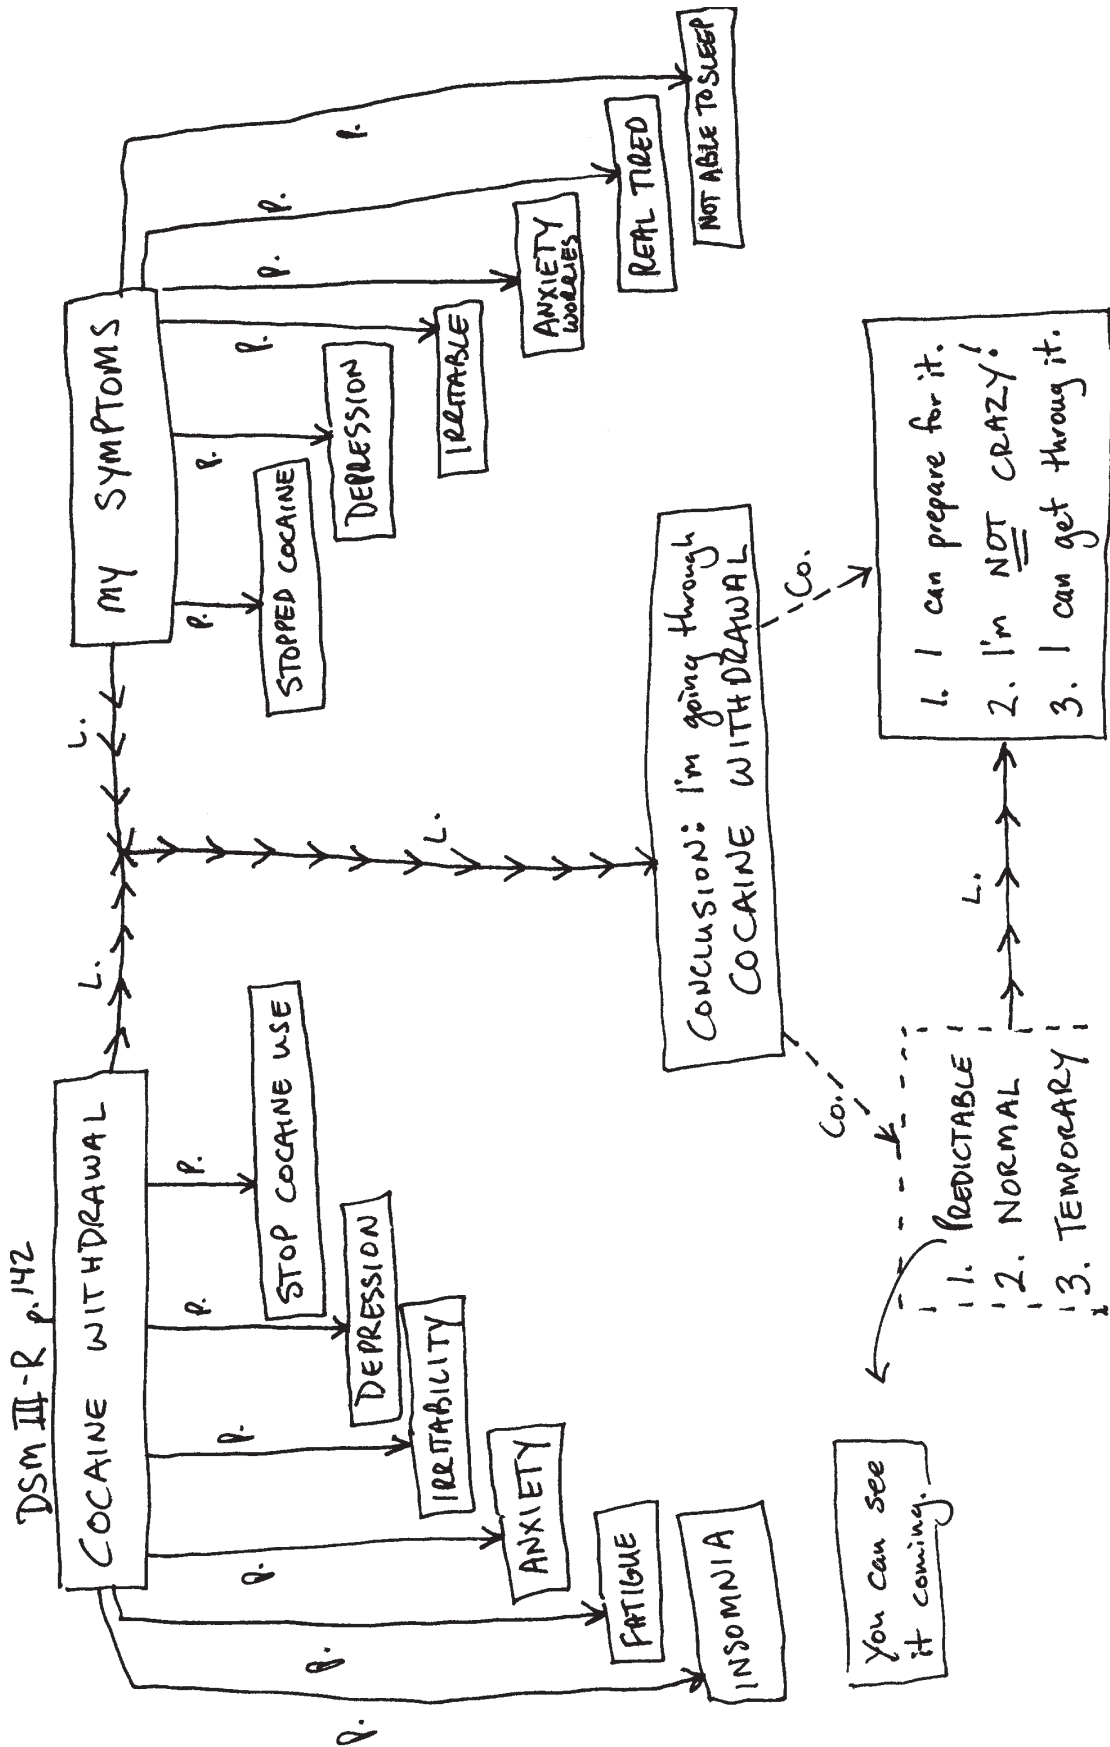

Treatment issues
